

Driver Diagram for the Currie Community High School Improvement Plan 2016-2019

- To improve attainment and achievement for all, particularly in Literacy and Numeracy, whilst closing the attainment gap between the most and least disadvantaged children
- To improve young people's employability skills and ensure sustained, positive school leaver destinations for all

- Embed an understanding of Learning Journeys from 3-18 and incorporate important milestones into the school calendar

- Incorporate the Skills for Careers Framework into courses and programmes

- CLs to take a leadership role in driving forward improvements in L&T. All SCE Reports to be shared with colleague CLs and L&T Working Group
