

August 2015

Dear Parent/Carer

This session we will be implementing an exciting new initiative that will enhance Learning and Teaching and develop creativity and a range of capabilities for transformational, lifelong learning in the classroom, across the school and in the community.

This initiative will see every S3 pupil receive an Apple iPad mini so that they have access to mobile technology to enhance their learning.

All S3 parents are invited to a meeting in the school hall on 2 September 2015 at 7 pm where there will be a presentation by members of the iPad implementation group and opportunities to ask questions.

In addition to this meeting, the evenings of 22 September and 23 September have been identified as dates for issuing iPads to parents and pupils. A separate letter will be issued with details.

We look forward to meeting you then.

Yours sincerely

D MacKinnon  
Head Teacher
