Dear Parent / Pupil (S1-6)

## Careers Convention

We would like to invite you to this year's Careers Convention at Currie Community High School which we are running in conjunction with Balerno High School and Woodlands School.

The event will take place on **Thursday 8<sup>th</sup> February 2018 in the Assembly Hall of Currie Community High School from 6 - 8pm.**

The convention is part of the comprehensive careers programme of help and support offered in school. The aim of the evening is to provide guidance and information about the range of opportunities in the world of work, in training and in Further and Higher Education. There will be a wide range of representatives present who will give advice and guidance in their field of expertise. Representatives from a number of colleges and universities will also be present to give details of courses available.

We extend a warm welcome to you and hope you will join us for this event.

Yours sincerely
